## Requirements & Guidelines

It's time lapse challenge time again! The rules are pretty basic: switch on the printer, print something cool and make a time lapse of it. A time-lapse allows you to capture the magic of 3d printing one frame at a time, when played back at normal speed time appears to be moving faster and thus lapsing.

You can 3d print anything you want, use any type of 3d printer and material. We're looking for time-lapses that capture the beauty of 3d printing and do this in an exceptional and clever way.

### The winners

We know that making a time-lapse is a lot of work and takes quite a bit of preparation, that's why we're rewarding every eligible contestant with a sample pack. All entries that are posted on Twitter and Facebook (hashtag #colorfabbtimelapse) will be re-posted for the world to see.

- **First prize;** a year long supply of colorFabb filaments of choice! Every month we will send you four spools of your choice to keep on printing, so that is 48 spools of filaments to be won! That will also include the materials to be released in 2016!\*
- **Second prize;** two value packs with the filaments of your choice: 32 spools.\*
- **Third prize;** one value pack with the filaments of your choice: 16 spools.\*

*\* Conditions apply. Prizes only contain max. 4 spools per article and 750 grams spools*

### Selecting the winner

The contest will stop on January 18th at midnight (CET). colorFabb will choose the 10 best entries and will then conduct a public poll where everybody can vote for a full week. After this, the winner is announced. All prizes and sample packs will be shipped after this date.

## 1. REQUIREMENTS

### You must include

- Printer settings and slicer settings so other people can learn from you approach.
- Do not forget to acknowledge the original designer of the model you're printing, if possible link to his work, portfolio or website.
- State the material that you're printing with.
- Upload the video to youtube with the following tag: „colorfabb timelapse”
- include „colorFabb” in the title of your youtube video when uploading
- Must be uploaded between 24-12-2015 and 18-01-2016.
- colorFabb tag must be visible in your time-lapse, see document *colorfabb-time-lapse-contest-tag.pdf*

### No old entries allowed.

To ensure this, you must use our tag which needs to be included in every time lapse video: print it, cut it and place it near the print.

### Print guidelines

You are free to print anything you like so get those creative juices flowing and think of something amazing to print!

### Time-lapse guidelines:

There is only one rule for the time-lapse, it should show a 3d printer in action. You can decide yourself how you're going to show this, surprise us with some original thoughts!

### Winning designs will be:

original, something we haven't seen yet.  
complex printed parts, showing off your amazing 3d printer.  
a quality time-lapse video, take care of composition, timing etc.

## 2. RULES

### Entering the competition:

The time-lapse contest is open to everyone except employees and families of colorFabb. Multiple entries are welcome, team efforts are also more than welcome.

Furthermore we want you to:

- Agree to be bound by the decisions of the judges (Jury).
- Warrant that you are eligible to participate.
- Warrant that the submission, i.e. time-lapse video, is your original work.
- Warrant neither the work nor its use infringes the intellectual property rights (whether a patent, utility model, functional design right, aesthetic design right, trademark, copyright or any other intellectual property right) of any other person.
- Are not entitled to any compensation or reimbursement for any costs.
- Agree colorFabb and associate resellers have the right to promote all entries.

### Submitting an entry

Subscribe to the contest and submit an entry via the following application form:

<http://learn.colorfabb.com/time-lapse-contest-summer-2015/>

\*Only completely filled out entry forms are considered valid for the contest.

Your entry will be posted on [learn.colorfabb.com](http://learn.colorfabb.com) along with the other entries.

### **Awarding the winners**

The awarded participant is solely liable for the payment of all taxes, duties and other similar measures if imposed on the reward pursuant to the legislation of the country of his/her residence, domicile, citizenship, workplace, or any other criterion of similar nature.

Winners will be contacted by colorFabb staff to check contact information and any other information necessary to receive the award.

### **Term**

This contest will start on 24-12-2015 and the deadline for submitting entries will be 18-01-2016.
